Defining Community Engagement (CE)

“...a structured, supported, meaningful and accountable process that ensures that people living with HIV have a **SEAT** and a **VOICE** in decision-making, planning, implementation, monitoring and evaluation in order to achieve access to quality HIV care for all”

Pillars/Principles of CE

- ✓ **PLHIV Centred**
- ✓ **Meaningful**
- ✓ **Consistent**
- ✓ **Transparent**
- ✓ **Structured**
- ✓ **Equity**
- ✓ **Supported and Practical**
- ✓ **Accountability**
- ✓ **Sustainability**
