

Delivering High-Quality DSD Services at Scale

A CQUIN Learning Network Workshop

April 26– 29, 2022

Johannesburg, South Africa

Session 3: Breakout Session

Wokie Cole and Martin Msukwa

HIV Learning Network
The CQUIN Project for Differentiated Service Delivery

Session 3 Breakout

Objective: Country teams exchange updates on their current DSD-specific national quality management strategies and start thinking about next steps

Structure:

- 10:30am – 12:30pm: Country teams meet in breakout groups
- 12:30 – 2pm: Lunch
- 2pm – 3pm: Plenary report-back session

Instructions for the 6 breakout groups

Each group will have two hours to:

- Introduce participants, review instructions, select a rapporteur (~15 minutes)
- Have each country take a turn presenting three updates and answering questions from other country teams (~75 minutes):
 - Briefly describe your DSD treatment programs (available models, what is working well, what could be improved, existing coordination and scale up approaches and what additional support might be needed)

Instructions for the 6 breakout groups

- Share current DSD dashboard scores on the quality domain
 - How was each score was arrived at?
- Share DSD quality best practices you have as a country
- Share DSD quality challenges you have as a country
- Prepare for the report-back session that will take place after lunch (~30 minutes)

Report Back

- As a group share 3-4 take aways from the discussion on each of the 3 discussion points
- Each group will have 7 minutes to present with slides
- Email your summaries to both Eric and Laura before you go for LUNCH.
