

# Keep people at the center of DSD

Gang Sun

Senior Advisor

Services and Systems for All Practice

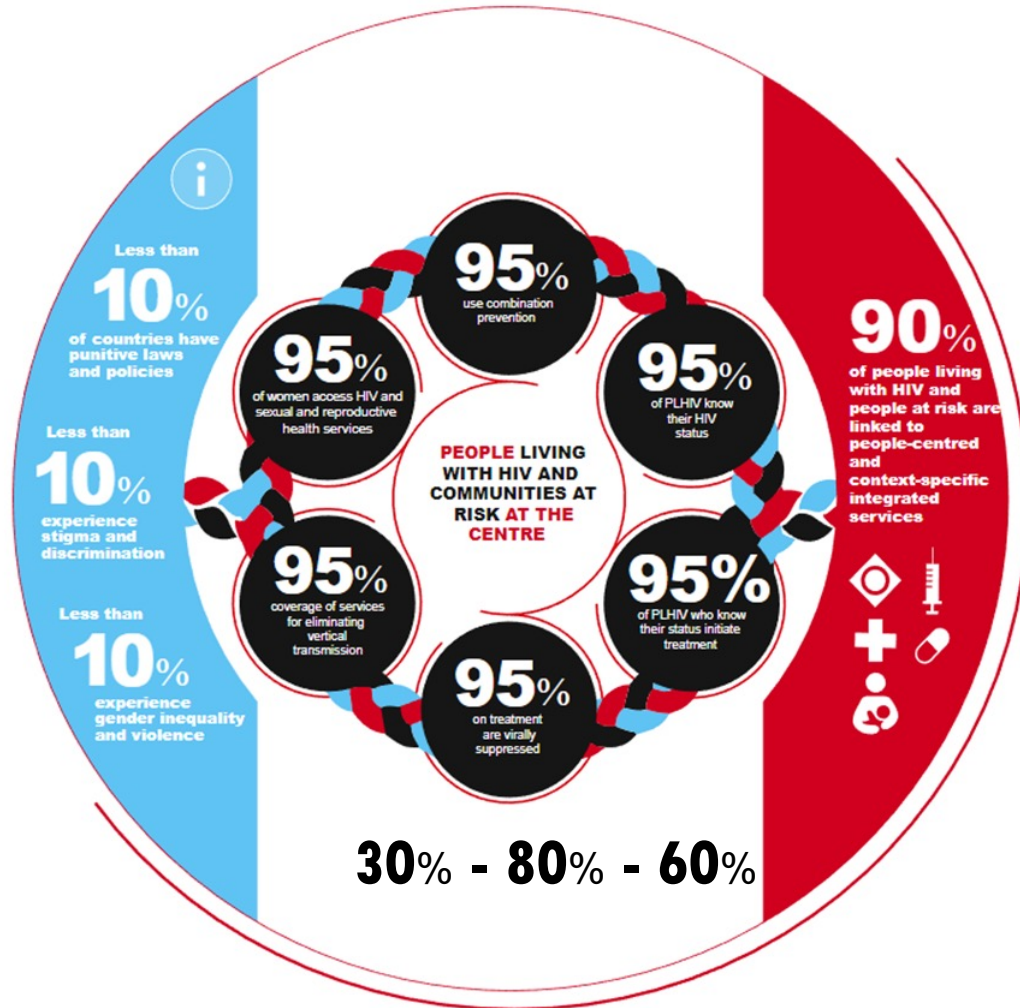

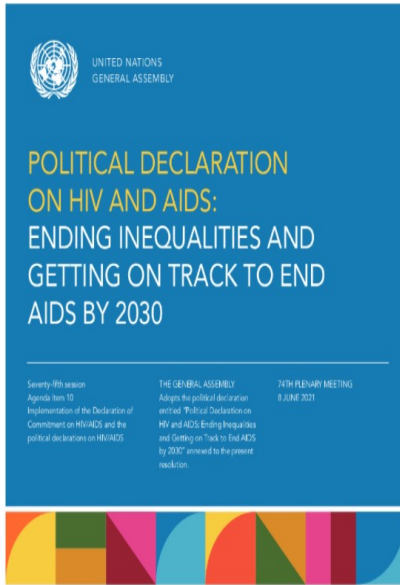

UNAIDS Global Center

# DSD as one of the key transformative actions for reaching the 2025 targets

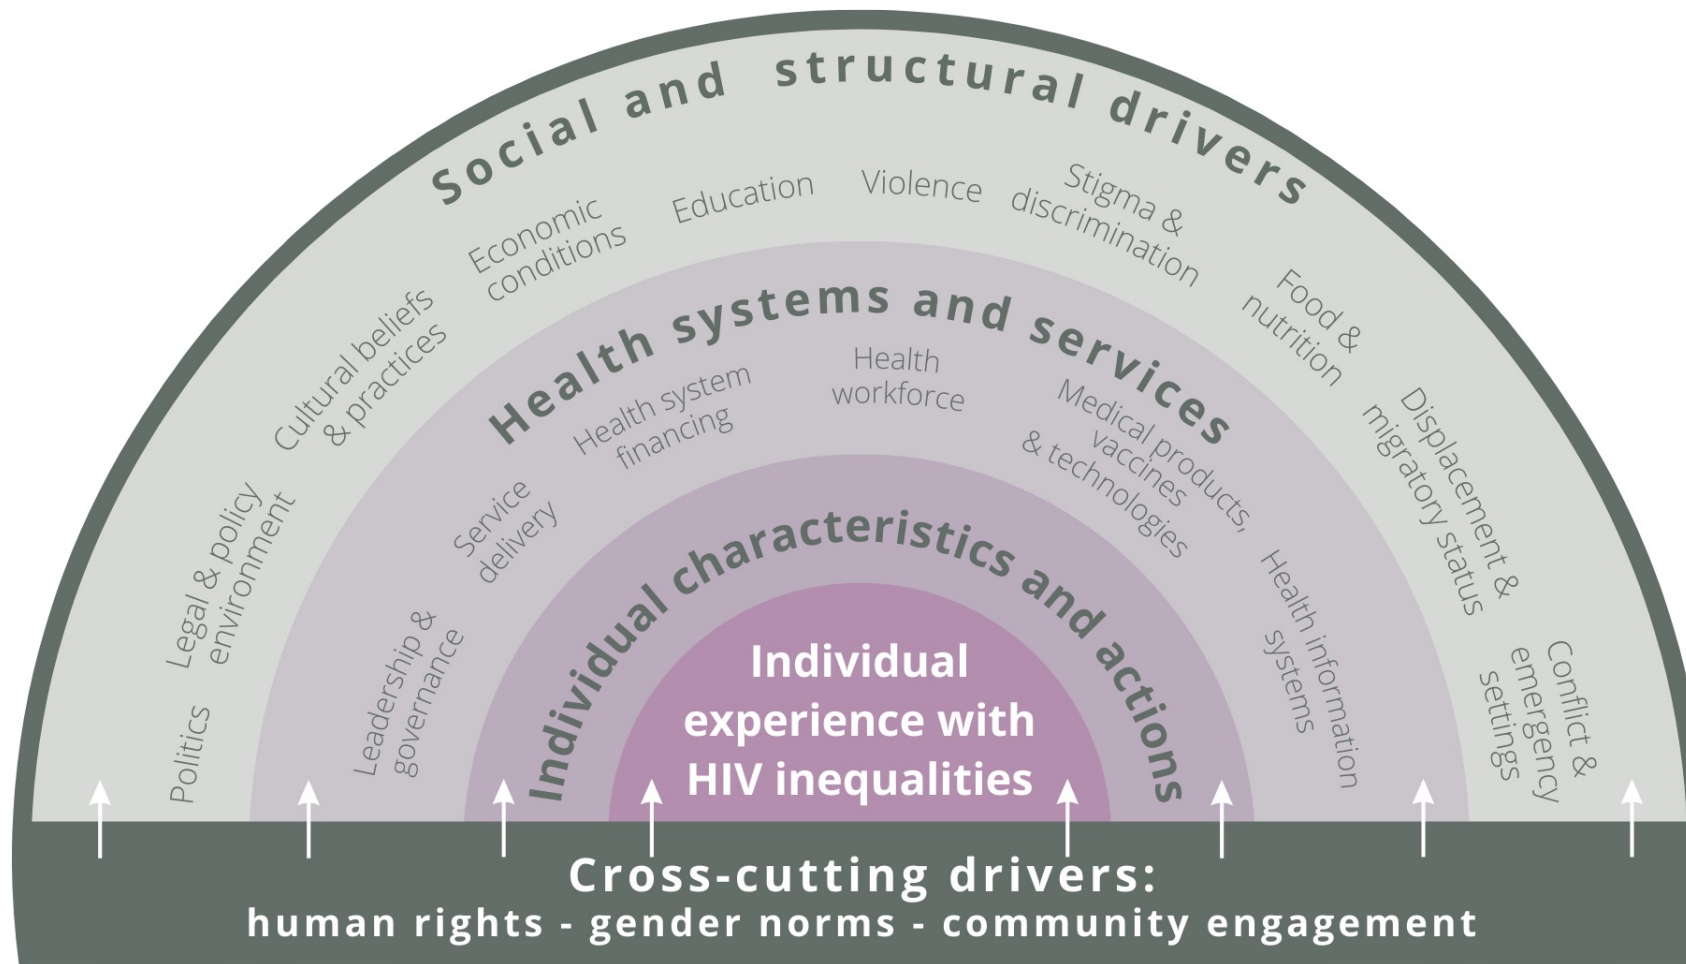

## - People at the center

■ THE 10s ■ THE 95s ■ THE INTEGRATION

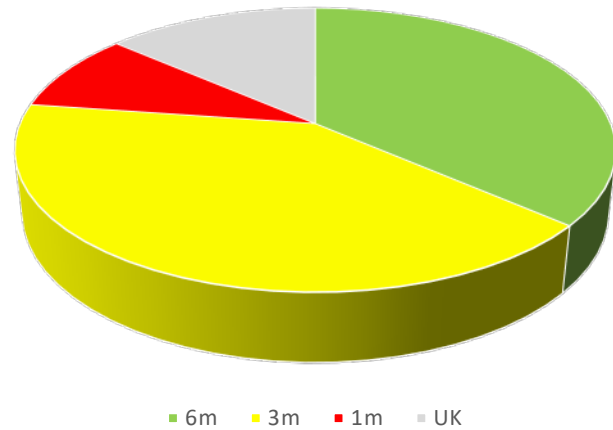

# Differentiated services needed to meet differentiated needs

– *Inequality framing around people*

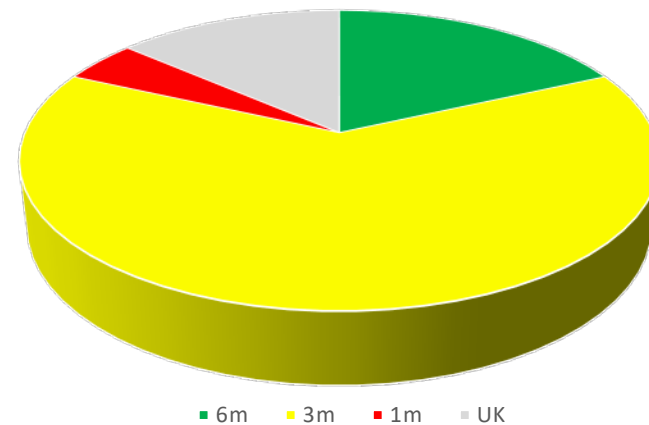

# Selected indications on status of DSD among CQUIN countries

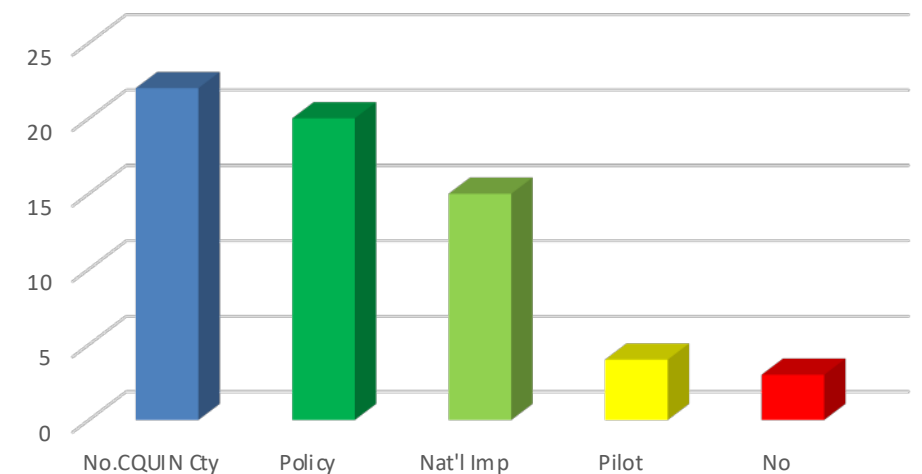

National policy on frequency of clinic visits for people stable on ART

National policy on MMD for people stable on ART

Self-testing policy and Implementation

Source of data: UNAIDS, WHO Laws and Policies Analytics Database (2021)

# What UNAIDS can contribute to the mutli-stakeholders' efforts on DSD

- Advocate DSD through in-country National Strategic Plan development
- Support the inclusion of relevant DSD components in Global Fund funding requests
- Support a better reflected DSD in Global AIDS Monitoring and country profiles
- Support other relevant initiatives, like CLM, U=U
- Support shared-learning

Thank you!
