CQUIN Integrating non-HIV Services into HIV Programs Meeting

April 15-18, 2024 | Nairobi, Kenya

Introduction

- The following SRH services including Family planning are directly integrated with HIV services starting from service point(Health post /Community level to different types of Hospitals;
 - ✓ Family planning unit
 - ✓ STI clinic
 - ✓ Adolescent and youth service point
 - ✓ ANC clinic

- Thus this presentation will briefly highlights areas of integration using posters,leaflets,tool kits,Registers,reporting formats and guidelines.
